

Facilitating Through Conflict

Toronto: November 25, 2020

One Day Advanced Facilitation Skills Workshop

Ask meeting facilitators what they fear most when leading discussions and they'll tell you - conflict. Yet healthy disagreement helps groups see problems from new perspectives, make better decisions, and build trust. So how can we harness the strengths of conflict while limiting damage such as not achieving meeting outcomes, damaging rapport, and shutting down conversations prematurely?

Our one-day course directly addresses the sources of conflict - including you - and provides methods to prevent or facilitate through them. Explore your conflict behavioural style, learn how to mitigate client sabotage, and practice using tools and techniques to deploy when conflict erupts. Participants will build on the learning from their foundational facilitation skills course by taking a deeper dive into proactive and responsive techniques for managing specific disruptive behaviours.

Please note: Participants must have completed a facilitation fundamentals workshop such as *Facilitating Meetings That Work*, *Making Meetings Work* or *Facilitating Meetings With Ease* or other comparable workshop

The Learning Opportunity:

- Gain a clear understanding of effective techniques and behaviors to facilitate through conflict
- Discover your conflict style and how it can either contribute to or help minimize conflict
- Arm yourself with tools for identifying and managing resistance
- Practice the three-step intervention process for redirecting dysfunctional behaviour
- Receive personal feedback and coaching from a 'Master' meeting facilitator and learning peers
